

HOW TO BUY ON THE-MEDPLACE?

The-Medplace is the great place to buy pre-owned medical devices

Standard Buyer

Any registered buyers have the status “Standard Buyer” and have a maximum purchase outstanding* of 80,000 €. The sales participation is subject to the payment of a deposit for sales with a starting price over or equal to 10,000€

You must be a **registered user** to be able to buy on The-Medplace! Offers made through The-Medplace are formal commitments to purchase.

Frequent Buyer

The Frequent Buyer status is acquired by making a 5,000€ permanent deposit and he is allowed to have a maximum purchasing outstanding* of 160,000 €. The Frequent Buyer can participate to all sales without having to make deposit in each sale.

* *Maximum Purchase Outstanding is the sum of outstanding bids / offers and not yet paid purchases which are limited to this amount.*

The-Medplace key features

The equipment's for sale are listed for 7 to 30 days. Our sales are anonymous, your company name won't be visible by the Seller until you have won the sale. Buyers only know the country and region where is located the equipment. You get access to exclusive services to facilitate your purchases.

Deposit are refunded automatically 8 days after the end of the sale. If you're a successful bidder, you must pay your purchase within 5 days.

Electronic Payment Solutions

The-Medplace makes online transactions easy, reliable and secure with our partner Mangopay. No money is changing hands before the devices aren't successfully picked-up. Neither The-Medplace nor any other 3rd party has access to the paid funds as they remain in the buyer eWallet until the transaction is completed

HOW TO BUY ON THE-MEDPLACE?

The-Medplace offers several ways to buy

Open Offer (an exclusivity of The-Medplace)

Buyers can place offers higher or lower than the starting price. Any offer equal or the best offer above the starting price wins automatically the sale.

Open Offer includes following features:

- ✓ Buyers do not see any competing offer.
- ✓ Seller can accept the best offer received above the starting price without having to wait for the end of the sale
- ✓ if the device is unsold, the Seller can accept or decline the best offer received below the starting price until 5 days after the end of the sale.

Auction

All Auctions have a starting price and the Seller can add the option to sell with a reserve price. Current price is disclosed when the starting price or the reserve price is reached. The highest bidder wins the sale when the best bid is equal or above the starting price or the reserve price if this option chosen. The buyers see the evolution of the current price (2nd best bid + 1 Bid Step).

Immediate Sale

The buyer can decide in one click to buy instantly at the posted price.
